ABOUT THE FOUNDATION

SUFAF Foundation, established by Hon. Dr. Sulaiman Abubakar Fana, is a philanthropic organization dedicated to fostering education and skills acquisition within communities. The foundation is driven by a commitment to uplift individuals, particularly those from less privileged backgrounds, by providing them with the tools and opportunities needed to succeed.

Our Core Focus Areas:

1. Education:

- Scholarships and Financial Aid: SUFAF Foundation offers scholarships and financial assistance to students who demonstrate academic potential but lack the resources to pursue their education. These scholarships may cover tuition, books, and other related expenses.
- School Infrastructure Development: The foundation is involved in building and renovating schools, providing learning materials, and ensuring that educational institutions in underserved areas are well-equipped to offer quality education.
- Teacher Training Programs: To enhance the quality of education, SUFAF Foundation organizes training and development programs for teachers, equipping them with modern teaching methodologies and tools.

2. Skills Acquisition:

- Skills Aquisition Centre: The foundation establishes skills acquisition center named after Her excellency Hajiya Zainab (Nasare) Nasir Idris Entrepreneurship Centre in Kamba LGA, Kebbi State where individuals can learn trades such as carpentry, tailoring, computer skills, and other marketable skills. This center aim to equip participants with practical skills that can lead to self-employment or better job opportunities.
- Entrepreneurship Programs: SUFAF Foundation also offers entrepreneurship training, mentoring, and startup support to help individuals turn their skills into successful businesses. This includes access to micro-loans(Interest Free) and startup grants, business planning resources, and networking opportunities.
- Youth Empowerment: Recognizing the importance of youth in societal development, the foundation runs targeted programs to engage and empower young people. These programs often include workshops, seminars, and mentorship sessions focused on career development, leadership, and life skills.

3. Support to Orphanage and Widows:

- The Foundation also aims to enhance the lives ofOrphans and widows through various initiatives which includes Financial assistance, skills acquisitions training programmes and provision of basic necessities

ABOUT HAJIA ZAINAB (NASARE)NASIR IDRIS ENTREPRENEURSHIP KAMBA.

The SUFAF Foundation has made significant strides in community development by establishing a skills acquisition center in Kamba, Kebbi State. This project reflect the foundation's commitment to empowering individuals through education and skills development of the communities.

Skills Acquisition Center:

- Empowering the Community: Hajiya Zainab (Nasare) Nasir Idris Entrepreneurship Centre is designed to equip local residents with practical skills that can lead to improved employment opportunities and economic self-sufficiency. The center offers training in various trades and vocational skills, such as tailoring, carpentry, computer literacy, and other market-relevant skills.
- Training and Certification: The center not only provides hands-on training but also offers certification upon completion of the courses. This certification can be used by participants to seek employment or start their own businesses, thereby contributing to the local economy.
- Youth and Women Empowerment: Special focus is given to empowering youth and women, providing them with the tools and knowledge needed to become self-reliant and contribute to the development of their families and the wider community.
